

INTERVIEWING NATACHA SOMMER

FOR MEDIA OPPORTUNITIES

Natacha has been featured across many media channels and interviews. Natacha absolutely loves connecting, sharing and giving away value to new audiences.

We receive weekly requests for interviews, so in order to help us find if this is the correct match, please can you send:

- The **content** and topic you want Natacha to talk about
- Who your **audience** is
- How you will **promote** this
- Your **social media following and reach**
- List size and how often this will be sent out
- Your time zone and link to your scheduler
- Your contact details, including telephone number and Skype or Zoom
- The **type of interview**: written, verbal, audio or video
- The **length** of the interview
- **When** the interview will be featured

Please note: Due to such high demand and Natacha's busy calendar, we will prioritise interviews with high reach and can't guarantee an interview - the team will message you to confirm if your interview has been accepted.

For media opportunities and speaking engagements, please email: contact@natacha-sommer.com.
